Application for Membership and Service Agreement

To be considered for electric service from, and for membership with, Albemarle Electric Membership Corporation, all applicable information must be completed. A security deposit may be required to activate your electric service, and it must be paid prior to activation. NOTE: If in doubt whether to make this a single or a joint account, only the Applicant and/or the Co-Applicant has the right to request services, make changes, or designate Third Parties to this account. If you chose to make this a Single Account, but would like to give permission for us to provide information (such as due dates, bill amounts, etc.) to your spouse or someone else, please request a Third Party Form.
